CAREER OBJECTIVE

As a passionate and innovative Frontend Developer, I am dedicated to crafting intuitive and visually stunning user interfaces that enhance user experiences. With a strong foundation in HTML, CSS, and JavaScript, PHP and hands-on experience with modern frameworks such as Wordpress, Shopify , I am eager to contribute to a dynamic team where I can leverage my skills to build responsive and accessible web applications. My goal is to continually grow my expertise in frontend technologies, collaborate effectively with cross-functional teams, and drive the successful delivery of high-quality digital solutions.

PROFILE

As a dedicated Frontend Developer with over 1 year of experience specializing in WordPress and Shopify, I am committed to creating engaging, user-friendly websites that drive business success. Proficient in HTML, CSS, JavaScript, PHP, Liquid ,NextJs etc.
